Christmas Island Strategic Plan – Approach to Market

Number: A19/2018

Date: 18 April 2018

As previously announced, the Australian Government has provided funding to the Indian Ocean Territories Regional Development Organisation (RDO) to develop a strategic plan for Christmas Island as part of its mandate to support the sustainable development of the Indian Ocean Territories.

The Strategic Plan will provide a 'road map' for sustainable, long-term and diverse economic activity, improved liveability and community development for Christmas Island. This plan will be developed in consultation with the Christmas Island community.

In order to proceed with the development of the Christmas Island Strategic Plan I am pleased as Chair of the Regional Development Organisation to announce the release of the Request for Proposal/Approach to Market for consultants to develop the strategic plan.

If you would like further information or wish to obtain a copy of the Request for Proposal/Approach to Market, please contact David Eizenberg in my office on 9164 7959 or email him on David.Eizenberg@infrastructure.gov.au The closing date for proposals is 5:00pm Christmas Island time, **Sunday 6th May 2018**.
