## Community Bulletin

### Have your say on the Christmas Island Strategic Plan

**Number:** A44/2018

**Date:**

26 July 2018

On behalf of the IOT RDO, I am pleased to announce that consultations for the Christmas Island Strategic Plan will commence on the 29<sup>th</sup> July, 2018. These consultations will run for at least 3 weeks and will be directed by our consultants - Vanessa Bennett and Phil Gouldson.

You will recall that the Strategic Plan will be a plan for the community by the community to provide a Sustainable and Prosperous Roadmap for our Christmas Island's future.

**To ensure that the Plan best supports you, we encourage you to have your say!**

There are several ways you do this, namely through:

- Completing a community survey, which will be on line, available at <https://www.surveymonkey.com/r/RMHHHQN>, or in hard copy at the Administrator's Office, Shire Office and CASA Recreation Centre. Please note that this will be available in English, Chinese and Malay;
- Individual meetings / consultations for business and industry and/or through group workshops for specific industry sectors (such as tourism, education/training). Our office will be in contact with you shortly to arrange the most suitable time, and translators will be available when required;
- Meetings / discussions with cultural and community groups. Again, our office will be in contact with you shortly to arrange the most suitable time, and translators will be available when required;
- Meetings / discussions with environmental representatives, such as Parks Australia and Island Care;
- Youth workshops and youth activities, which will be organised in conjunction with CIDHS;
- Sending an email directly to Vanessa Bennett on [vbennett@cchange.com.au](mailto:vbennett@cchange.com.au) at any time throughout the consultation period.

We look forward to hearing your views on how you think Christmas Island can improve its sustainability, prosperity and liveability.
