Disruptions to Digital Television Broadcasts – Tuesday 7 to Friday 10 May 2019

Number: D41/2019

Date: 07 May 2019

Relevant: Cocos (Keeling) Islands

Topic: Disruption to Digital Television Broadcast Service -Tuesday 7 May to Friday 10 May 2019

Repair and upgrade works to the Emergency Broadcast System on the Cocos (Keeling) Islands will be undertaken from 7 to 10 May 2019.

During this period there will be minor and intermittent disruptions to digital television broadcast services. Both Home and West Islands will be affected. To minimise inconvenience all works will be carried out during business hours.

The upgrades are necessary to ensure the community can be effectively informed of any emergencies that may impact on the islands.

Thankyou for your understanding and patience whilst these important works are being completed.
