

Culture and the arts services

FACTSHEET

Delivered by the Department of Local Government, Sport and Cultural Industries (previously the Department of Culture and the Arts)

Culture and the arts in the Indian Ocean Territories

The Department of Local Government, Sport and Cultural Industries — Culture and the Arts (WA) provides the following services on behalf of the Australian Government:

- promoting a diverse, vibrant and sustainable cultural sector; and
- supporting the delivery of culture and arts activities across the Territories through policy development and grants funding.

What does this mean for me?

The Department of Local Government, Sport and Cultural Industries — Culture and the Arts (WA):

- guides the delivery of culture and arts for the Territories through the provision of policy development, coordination, and support services; and
- works with a number of arts and culture organisations to ensure services are delivered across the Territories. These include Country Arts WA, Community Arts Network WA and Art On the Move.

Each year services could include a visual arts or performing arts tour, and recurrent funding to Arts and Culture Christmas Island Incorporated.

Did you know that on the Department of Local Government, Sport and Cultural Industries – Culture and the Arts (WA) has a Research Hub? The [Research Hub](#) presents information about recent research projects, visualisations of key statistics and links to summary reports and publications about culture and the arts in WA.

The information found within the Research Hub is sourced from surveys conducted for the Department by independent research consultants, WA-specific data from Australian Bureau of Statistics (ABS) reports and other findings from research partnerships.
