Public Trustee services in the Indian Ocean Territories

The Department of Justice — Public Trustee provides services on behalf of the Australian Government to ensure there are high quality and accessible trustee and asset management services for the Territories.

What does this mean for me?

As a Territories resident, you have access to the trustee and asset management services of the Public Trustee if required. These services include:

- Trust Management;
- Deceased Estates Administration;
- Private Administrator support; and
- Will drafting and safe custody services.

The Public Trustee has over 96,000 wills safely stored in the WA Will Bank, writes about 2,500 wills per year, and helps manage the finances of close to 6,000 Trust clients. We also provide support to almost 3,000 private administrators.
