| Topic | Information Session about asbestos containing materials at Jervis Bay School | | |
| Relevance | Jervis Bay School Community | | |

The Jervis Bay Territory Administration is arranging an Information Session about asbestos containing materials (ACM) at the Jervis Bay School.

When: 5pm, Wednesday 14 December 2011

Where: School Hall, Jervis Bay School

Information to be presented:

- General awareness of ACM;
- Information about ACM at the School, specifically in the Seaspray Building and the immediate surrounds; and
- Actions being taken by the Department working in conjunction with ACT agencies to manage the ACM.

Who will be at the Information Session?

- All members of the community concerned about this issue are welcome to attend;
- An asbestos specialist will present at the Session;
- The ACT Work Safety Commissioner will attend; and
- Representatives from the Department and ACT Education and Training Directorate will be in attendance.

The information session will include the opportunity to ask questions.

If you have any urgent questions about ACM at the School, please contact Mr Bob Pastor, Principal, Jervis Bay School, on 02 4442 1002 in the first instance.

For details about the Session, please contact Cornelius Pau on 02 6274 7636.
