Number: 2014/10

Date: 18 September 2014

Relevant: Jervis Bay Territory

Topic: Jervis Bay Territory Community Health Clinics

The Department of Infrastructure and Regional Development provides health services to Jervis Bay Territory through contractual arrangements with NSW Health.

The Department has recently refurbished the Jervis Bay Village Community Health Clinic in order to improve access to clinical and preventative health services for Jervis Bay Territory residents.

From Monday 29 September 2014 health services will be provided from both the:

- Jervis Bay Village Community Health Clinic on Mondays, Wednesdays and Thursdays;
- and
- Wreck Bay Health Clinic on Tuesdays and Fridays.

To make an appointment to access the health service at either location please contact the Jervis Bay Village Community Health Clinic on 4442 1093 (new number) or the Wreck Bay Health Clinic on 4442 1130.
