Do not ban the Norfolk Island community of sitting on the back of trucks. It is a way of life for our community and has intertwined into our culture. Du wi loss awaus ways. We are NOT Australia the constant picking at our local laws to enforce that of Australia is an absolute abomination to the Norfolk Island community. The incidents that have occurred on the back of utes have been reckless in themselves and have not been local to our community. Do not let them take another privilege that we have left here on our special island
